of such designated amounts from the Permanent Endowment Fund shall be determined
annually and distributed quarterly, at the discretion of the Board of Directors.
Determination of the amount of the annual distribution is presently equal to
6% of the average of the end-of-year fair market value balances from the four
preceeding years, excluding the most recent prior year (i.e. a three year average).
The investment objective is the long-term growth of capital and income. The
integrity of the endowment fund is to be rigorously protected by setting goals:
i)appropriate asset allocation between growth and income, ii)asset diversification
via high quality, professionally managed mutual and exchange traded funds, and
iii)seeking consistently above-average investment results.
CDRI also has two donor restricted
endowment funds, one of which supports scholarships to graduate students attending
Texas colleges, and the other which supports CDRI's donated minerals collection
and the mining exhibit.
